**You focus on the job
at hand. We focus on
helping your employer
keep you visible and safe.**

**3M™ Scotchlite™ Reflective Striping Kit
for 3M™ H-700 and H-800 Hard Hats**

Shedding Light On Reflective Technology

Easy application

The pressure-sensitive adhesive transfer system makes the product easy to use and is self-adhering.

Approximately
12 square inches of
total reflective material

Features and Benefits:

- 3M™ Scotchlite™ Reflective Material for enhanced visibility under low light conditions
- 3M™ Hard Hat suspension sits lower on head to reduce pressure and increase security
- Optional UVicator™ Sensor lets wearer know when to replace hard hat due to UV exposure

When you apply Scotchlite reflective material to your workers' 3M Hard Hats, you're ensuring high visibility performance in low light to help workers be seen so they can function at their best.

⚠WARNING

3M™ Hard Hat H-700 Series and 3M™ Hard Hat H-800 Series provide limited protection only. **Misuse or failure to follow warnings and User Instructions may result in serious personal injury or death.** For proper use and selection see Supervisor, *User Instructions* or call 3M PSD Technical Service in the USA at 800-243-4630. In Canada, call Technical Service at 800-267-4414.
